Grass County, Tenus, Dec. 25, 1851.

Dr. Barrson: I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely re-lieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend. call on you. I am very respectfully your friend. ELIZABETH J. HARWOOD.

DR. FRASK'S MAGNETIC GINTMENT. MR. WINTERS had lost nearly all of his hair and A had been hald for many years, by the use of three bet-lies of the Maynetic Continent, and his how entersly re-stared, and now has as beautiful a head of hair as any man could wish. His age is about 50 years.

A son of Mr. Warren, of this town, 14 years of age, had been afflicted with the Asthma from his cradle. He had the benefit of the best medical advice that a loving and wealthy father could procure, without avail. It was one of

the most aggravated cases I ever saw; he was emacated almost to a skeleton. By the use of a few bottles of the Oint ment be was thereoglegicared, and for seven months past has enjoyed robust health.

This was an extreme case of inflammation of the spleen, of long standing, has a variety of treatment from no less than excite different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Ointment. This was four months around the haly in Mrs. Dun-ham, is still in good health, and able to attend to her usual household duties. Thave treated two cases of Okronic Sorie Eyes with the Onment, both of the patients so nearly blend, as to need an attendant to lend them from place to place. One of them had been afflicted 18 years, the other about 9 years. They had been afflicted 18 years, the other bout 9 years. They had tried the best physicians in the state, without benefit; and one of them had been under the reatment of the celebrated Dr. Muzzy, of Cincinnati, for treatment of the celebrated Dr. Muzzy, of Cincinnati, for eighteen mouths, and had expended hundreds of dollars in vain efforts to effect a cure. They are now by use of the Magnetic Ointment, nearly or quite cured; and are able to read and attend to any ordinary business. I have used the Ointment in a number of cases of Piles, and in so case has it failed of giving immediate relief and generally a permanent cure. I have also used it beneficially in severe cases of Eryspelas. And last but not least, I have within the last year cured four cases of CANCER by the use of the Magnetic Ointment alone!

Pintment alonel
From a thorough trial of the Ointment in nearly every discuse for which it is recommended, I can confidently re-commend it to be one of the most useful remedies ever of fered to the public. Respectfully Yours, BURTON HUBBELL, M. D. Dated Jan 27, 1850, Amelia, Oliio, The character of this Ointment, as an efficient remedy, is established in this city. There are quite a number of indi-viduals who ascribe their restoration to health to the use of

this extraordinary Olutment. IL G. SCOVEL CARTWRIGHT & ARMSTRONG.
